

PVC Compounds for Soft Profiles

	Product Name	Product Code	General requirements according to the international standards (BS En. 50363:2005 & IEC 60502:2021) & Customer Specifications			
			Density (g/cc)	Tensile Strength (N/mm ²)Minimum	Elongation (%)Minimum	Hardness
1	PVC Black Soft Profile (Low Density)	GP-Sp-P-01	1.3 ± 0.03	-	250	70
2	PVC Black Soft Profile (Medium Density)	GP-Sp-P-02	1.5 ± 0.03	-	150	75
3	PVC Black Soft Profile (High Density)	GP-Sp-P-03	1.7 ± 0.03	-	150	75

*Giza Plastics Company can provide the products in the list with any required color according to Customer's requirements and Specifications.
